### **Medical Assessment**

Any driver involved in contact with another vehicle or circuit barriers must be medically assessed before they return to the circuit for another session.

### **START PROCEDURE.**

All cars will form up as specified on the grid sheet in the assembly area.

#### **Standing Start =**

Cars will then be released on to the circuit to form up on the grid.

The minimum countdown procedures/visible/audible warning sequence shall be:

1 minute to start of Green Flag formation lap - Start Engines.

30 Seconds - Visible and audible warnings for the start of Green Flag formation lap.

Cars will then be released behind a parade car for the green flag lap.

All cars will then form a 2 x 2 grid for a STANDING START.

A five second board will be used to indicate the grid is complete

The red lights will be switched on five seconds after the board is withdrawn.

When red lights are extinguished the race will commence.

**Rolling start =** As above except cars will be lead on formation lap in a 2 x 2 configuration and will not stop on the grid. Racing will commence when red lights are extinguished. (A lead car will be used)

Excessive weaving to warm tyres / using more than 50% of the track width / falling back and practice starts are all prohibited on any formation lap. Drivers must make themselves aware of the aborted start procedure.

**Race Stops (Red Flags)** Any race causing more than one race stop may be moved to the end of the timetable and be re-run if time allows

#### **Track Limits**

Competitors should be aware that specific guidance has now been issued by the MSA regarding the penalties to be applied for drivers breaching track limits. These are as follows:

- 2nd offence - warning flag
- 3rd offence - 5-second penalty
- 4th offence – 10 second penalty
- 5th offence - drive through penalty
- 6th offence - exclusion

Competitors may also have their fastest lap times in practice/qualifying disallowed if they breach track limits.

**Safety Car (Q1.1 appendix 2)** On the instruction of the C of C the safety car may be deployed for all practice, qualifying and racing.

**End of track session** At the end of all track sessions competitors must slow down after taking the chequered flag and return via the pit entrance, please follow marshals instructions at all times. If time allows presentations may be conducted as per championship/series regulations but all cars will remain under Parc Ferme conditions until released by the scrutineers. If presentations do not take place immediately after the race please see the Secretary of the meeting or your race coordinator.

**Race day Information** The organisers will endeavour to run the meeting to time as published but they reserve the right to alter the event timings to suit conditions of the day.

Practice times, grid sheets, provisional results and official bulletins will be available in sign on or the members centre.

**Live Timing** Follow [www.tsl-timing.com](http://www.tsl-timing.com), which is available throughout this event.

Power and timing monitoring points are installed on the pit wall.

**Entry List** Please check your entry on the website and let us know if anything is incorrect to ensure an accurate programme. If for any reason you are forced to withdraw please inform the Secretary of the meeting in writing. Any vehicle or driver change must be given to the Secretary of the meeting before sign on for approval. Forms available at sign on room on race day.

**Travelling** Please respect our neighbours and local speed restrictions in local villages (monitored by Police) and allow plenty of time for travelling to and from the circuit.
