

PARKING INFORMATION

THE BIG WEEKEND – 6TH / 7TH JULY 2019

Due to the large amount of vehicles involved at this event ALL private vehicles **MUST** use the **Yellow** Chippenham Road gate for car parking using the yellow private vehicle pass and will not be allowed to access the paddock area. Private vehicles parked in the paddock without the appropriate pass may be removed.

Your co-operation with this would be appreciated.

CCRC Formula Ford, CCRC Saloons and MGCC BCV8 will be required to vacate the paddock as soon as possible to allow change over for Sunday.

Any of these competitors are welcome to stay but must move vehicles and equipment to the Chippenham Road car park.

CCRC GT's, CCRC Hot Hatch and MGOC will not be able to access the paddock until 6pm Saturday. Anyone arriving prior to this time will be directed to the Chippenham Road car park until access is available.
