

# Become a PalmerSport Instructor!

The PalmerSport team based at MSV's Bedford Autodrome circuit complex deliver the top corporate and retail motorsport events in the UK.

To join them you will be versatile and hardworking, your standards uncompromising, with pride and precision being evident in everything that you do.

In addition to motorsport competition or instructing experience, you will ideally have a basic knowledge of vehicle handling and be experienced working within a customer-facing environment, where quality and delivery were first class and customer satisfaction paramount.

Candidates must be able to work effectively within a team, be smartly presented and be capable of confidently communicating with people at all levels.
