Subject: New Partner for 2016 Monoposto series announced.

Message | Monoposto 2016 Yearbook Published low res.pdf (1,012 KB)

Delighted to announce that our main championship this year will be known as the JMT Mono Championship with the following logo:

.. following the conclusion of a partnership which will see the JM Technical Group not only place their name on the championship but take an active role in our racing through such great benefits as:

- 240V power supply via generator to the Mono paddocks at circuits without fixed facilities
- An enhanced Mono Hub in the JMT paddock facilities
- Help with developing and hosting the Monoposto website with potential membership and race entry/info online

A full press release will follow... just wanted the members to know ASAP.

JM Technical Group MD is Mono racer James Williams (moving up to Mono F3 this year)

Fine points:

- There will be a new car sticker for the championship of the same size as the previous ST Cross one that a few people still have on their cars (Ooops, me included!).. like this:

- Paddock power will be accompanied with a few 'guidelines' for the benefit of all.
- The partnership covers all the main championship events.
- The draft regulations approved by the MSA yesterday, now to be officially published including the JMT Mono Championship name and dates.
- The 2016 yearbook has been awaiting final release until this announcement.... Low res copy attached, high res versions on the website.

PS and the 2016 JMT Mono Championship entry form is very VERY nearly ready for release... last little detail to fall in place and it will be emailed out plus posted all over our media. Tiedeman and Spa (hopefully) to be finalised and then follow later.
