At the 2012 Race Retro Show, to be held at Stoneleigh Park, Coventry from 24-26th February, The Monoposto Racing Club will be running a practical Seminar for New Race Drivers.

The Seminar will be held in the afternoon on the final day of the Show, Sunday 26th February. The Seminar itself is free, although you will need a ticket to get into the Show ([www.raceretro.com](http://www.raceretro.com))

All new (and not-so-new) race drivers are welcome, although the Seminar will be especially aimed at those who are new to single seater racing. We run the largest Championship in the UK for single seater racing cars, and each year more than a dozen new drivers start their racing careers with us.

**To find out more about the Monoposto Championship; visit [www.monoposto.co.uk](http://www.monoposto.co.uk)**

Seminar topics include:

- The Race Car
- Equipment
- Race Day
- Race Craft
- Admin
- Useful Contacts

The SUNBAC Nova Awards are for the most successful novice drivers in the Monoposto Championship. The winner receives free race entries worth more than £600

There's a lot to cover, and we have some of the most experienced Club racers in the UK to take you through it. To help us plan the Seminar, if you are interested in attending please complete the tear-off below and return it to us.
